

Joanna Iwanicka

OVERVIEW

Joanna Iwanicka is an Associate at Queritius. She is a dual-qualified Attorney-at-Law licensed to practice law in New York and in Poland. Joanna focuses on international arbitration and litigation.

Prior to joining Queritius, Joanna worked in a top-tier law firm in Poland, where she negotiated commercial agreements for global companies, including purchasing, distribution, independent contractor, and marketing agreements in a variety of sectors. She supervised, managed, and handled litigations and mediated disputes primarily related to domestic and cross-border matters involving, among others, the sale of goods, intellectual property, and new technologies.

Joanna's knowledge and training gained throughout her work within the EU and UN institutional framework prepared her to handle complex transnational disputes that define the current legal and business environment. Joanna represented the New York State Bar Association (NYSBA) as an observer at the 77th Session of UNCITRAL Dispute Resolution Working Group III, held in February 2023 in New York.
