

Hanna Marunych

OVERVIEW

Hanna Marunych is an Associate at Queritius, and an attorney-at-law admitted in Ukraine. She has more than 7 years of experience in dispute resolution, including in international law firms.

She focuses on cross-border and domestic litigation and international commercial arbitration. She specialises in legal matters pertaining to agribusiness, construction, energy and natural resources, and pharmaceuticals. She also provides external review of compliance with anti-bribery and fraud legislation. Hanna acts for clients in complex commercial matters as well as annulment and domestic enforcement proceedings.

Hanna holds a doctorate in civil procedural law from the National Academy of Internal Affairs in Kyiv.

REPRESENTATIVE EXPERIENCE

COMMERCIAL ARBITRATION

- Acting for an international equipment producer against a major Ukrainian nuclear power-generation company in an arbitration proceeding under ICAC rules.
- Acting for an international equipment producer against a major Ukrainian nuclear power-generation company in an arbitration proceeding under VIAC Rules of Arbitration (Vienna Rules).
- Acting for a leading manufacturer of cardboard against Austrian and Belorussian suppliers in an arbitration proceeding under ICAC rules.

LITIGATION

- Advising a Ukrainian petroleum company defending in enforcement proceedings of an award granted by the Court of Arbitration at the Polish Chamber of Commerce in Warsaw.
- Acting for a global hedge fund in a dispute with a Ukrainian company for the recovery of interest under a loan agreement before Ukrainian courts.
- Acting for a local developer in disputes with state and local authorities over the construction of a residential estate, in particular concerning the cancelation of decisions on imposing fines and extending the land lease agreement.
- Advising a large steel company in an administrative dispute on the return of overpaid land tax of more than UAH 17 million.
